The OK Alpha Chapter of Sigma Phi Epsilon Alumni Board invite you to the 2018 T. Bone McDonald Annual Golf Classic. This is one of the largest events every year and we are excited to continue one of our favorite traditions. Dust off the old golf sticks, lace up the FootJoy's and ensure your ball retriever is in working order. This will be a great day of golf, SigEp comradery, and reunion all in the name of our good friend T. Bone McDonald. Join us in honoring his legacy and continuing his efforts to promote scholarship within our undergrad chapter.
